

## Wheatland Pirate Ceramics

Mr. Buckley

### Pirates Code Ceramics Mural

**Objective:** To plan out and design a ceramics mural for your school incorporating the Pirates code using an 8 ½ x 11 sized paper.

**Pride-Integrity-Respect-Attitude-Teamwork-Excellence-Sportsmanship**

#### **PLANNING:**

##### **(A) Written Portion---**

Write at least 2 paragraphs describing what the Wheatland pirate code means to you and include how you will choose to represent or symbolize each word of the Pirate code in your design.

##### **(B) Drawn or Sketched out Portion--**

Start with **at least 2** small rough thumbnail sketches of your ideas to work out your composition. Choose your best one. Use that one to re-draw larger and improve on a 8 ½ x 11 piece of paper.

**TIP---**This is not a refined, rendered, drawing. ----- You do not need to be a master artist or have good drawing skills.

\*\*\*\* It is a rough concept drawing that emphasizes a main idea and/or theme.\*\*\*\*

**Focus on shape, size, proportion, and form relationships.**

**This is to be a high relief, deeply carved and sculpted Ceramic Wall Mural**

**With the above in mind-----Do not do a sloppy, or poor job or you will have to re-do it.**
